

REACH Compliance Declaration

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals, EC 1907/2006) is the European Union's (EU) chemical substance regulatory framework. REACH requires Fisk Alloy, Inc. to provide customers with sufficient information on Substances of Very High Concern (SVHC) contained in products in concentration above 0.1% weight by weight (w/w) to allow safe use of the product.

To comply with this requirement, Fisk Alloy, Inc. certifies that to the best of its knowledge all products that it manufactures and supplies do not contain any of the current [224](#) substances listed on the *Candidate List of Substances of Very High Concern.

*ECHA website: <https://echa.europa.eu/candidate-list-table>

Important Information: Information provided by Fisk Alloy on its Website or in other communications concerning the substance content of its products represents Fisk's knowledge and belief as of the date that it is provided. Fisk based its knowledge and belief on information provided by third parties and laboratory test results and makes no representation or warranty as to the accuracy of such information. Fisk has taken and continues to take reasonable steps to provide representative and accurate information but may not have conducted chemical analysis on all incoming materials. In no event shall Fisk Alloy, Inc. liability arising out of such information exceed the total purchase price of Fisk material sold by Fisk to a Customer on an annual basis.
