

PFAS Non-Use Declaration

PFAS stands for Poly/Perfluoroalkyl substances. These substances, which have harmful effects on health and the environment, are being phased out by law and are already placed on the REACH list. **Fisk, Alloy, Inc.**, who is committed to compliance with government regulations and industry standards for environmental health and protection, hereby certifies that none of its products contain PFAS.

Important Information: Information provided by Fisk Alloy on its Website or in other communications concerning the substance content of its products represents Fisk's knowledge and belief as of the date that it is provided. Fisk based its knowledge and belief on information provided by third parties and laboratory test results and makes no representation or warranty as to the accuracy of such information. Fisk has taken and continues to take reasonable steps to provide representative and accurate information but may not have conducted chemical analysis on all incoming materials. In no event shall Fisk Alloy, Inc. liability arising out of such information exceed the total purchase price of Fisk material sold by Fisk to a Customer on an annual basis.
